

YOUNG PEOPLE

KICK START YOUR CAREER IN RURAL OPERATIONS WITH

WORK SKILLS

VPG's Work Skills program provides young people an opportunity to gain an accredited certificate in rural operations, build employability skills and find work within relevant industries.

Over the 12-week program, young people will be supported to:

- Enrol and undertake an accredited course in rural operations
- Gain tickets & licences
- Build employability skills
- Undertake work experience or work trials
- Network with prospective employers
- Find a job

Who's the program for?

VPG's Work Skills program is available to eligible young people aged 16-24 years looking to kick start a career within a wide range of industries including:

- Agriculture
- Horticulture
- Land and conservation management
- Construction
- Civil construction

Industry Content INCLUDES

White Card	Performing machinery maintenance
First Aid/CPR	Skid steer loader operations
Working at heights	Roller operations
Working in confined spaces	Work health & safety
